DETAILED ACTION

This office action is a response to Applicant's amendments submitted May 18, 2010 and May 20, 2010, wherein claims 179-186 are amended.

EXAMINER'S AMENDMENT

The application has been amended as follows: Applicant's amendment to the specification submitted May 18, 2010 contains an error. The first line of the amendment, which reads "Page 5, line 5" should be changed to read "Page 7, line 5."

In view of Applicant's amendment submitted May 20, 2010, the objection to the specification for containing an incorrect structure is withdrawn.

Claims 168-185 and 187 were previously allowed. The only remaining rejection was the rejection of claim 186 under 35 U.S.C. 112, second paragraph.

In view of Applicant's amendment submitted May 20, 2010, the rejection of claim 186 under 35 U.S.C. 112, second paragraph, as being indefinite with respect to the recited structure is withdrawn. The claim has been amended to recite the correct structure.

Accordingly, Applicant's amendment as discussed above is sufficient to remove all rejections made in the prior office action and to place the application in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to LAYLA BLAND whose telephone number is (571)272-9572. The examiner can normally be reached on Monday - Friday, 7:00 - 3:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anna Jiang can be reached on (571) 272-0627. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
